WHAT THE £19/CLINIC COST COVERS (PER MONTH, 200 CALLS AVG)

TWILIO

£13

All inbound & outbound phone minutes for 200 calls

↓ 40% at 500+ clinics

OPENAI

£2.20

Speech recognition + AI brain for all 200 calls

↓ 50% at 10k clinics

ELEVENLABS

£2.80

Natural UK voice (80% served from phrase cache at £0)

↓ 60% after cache

INFRASTRUCTURE

£1

Server, database, storage, security & compliance

Fixed — spreads thin at scale

Every cost line above is fully absorbed within the subscription plan. Clinics pay one flat monthly fee. As scale increases, enterprise volume deals with Twilio, OpenAI, and ElevenLabs reduce the cost per clinic — increasing margin from 90% at launch to 97% at 100,000 clinics.
